	<ul style="list-style-type: none"> - Graduation title of High School (copy of original document attached to official translation in English). - Certificate of the High School Diploma entitling them to participate in the higher education institutions of the country in which they graduate. - Academic transcript of the final two years (copy of original document attached to official translation in English). - Proof of English language test results: B2 for IELTS (no less than band 6 overall) or TOEFL (minimum score 79/120) - Personal statement. - Results (if any) of entrance exams at universities in your home country. - Curriculum Vitae (in English). <p>REGISTRATION PROCESS</p> <p>PLEASE FOLLOW THE STEPS IN THE ORDER BELOW TO SUBMIT YOUR APPLICATION AND START THE REGISTRATION PROCESS:</p> <p>Fill out all necessary information on your online application and submit it.</p> <p>One of our admissions advisors will contact you within the next three (3) working days, to guide you through the submission of all required documents and respective payments (see below).</p>	<p>semester. Please note that no part of the admission deposit is refundable.</p>	
--	---	---	--

If you are eligible for admission, you will be invited to an interview via online video conference and sit a multiple choice examination.

Once admitted, you will receive an admission offer letter.

Following the interview and initial selection process, applicants are requested to commit to one of the following:

- a. Should a candidate be accepted and exempted from the entrance exam due to previous examination, they have to deposit 6,000€ (non-refundable) in due time to finalize their registration.
- b. Should a candidate be instructed to sit the digital entrance exam, they have to deposit 1,200€ prior to the exam date. In case of final admission, the amount is deducted from the tuition fees and the applicant has to deposit the rest 4,800€ (non-refundable) following the exam to finalize their registration. In case of rejection following the exam, the deposit is fully refunded.

<p>Πανεπιστήμιο Κρήτης</p>	<p>Eligible are International students (non-Greek citizens) who have graduated secondary education outside Greece. They should have attended the last two years of secondary education in a school outside Greece and provide a graduation certificate which allows them to attend higher education in the country that issues the certificate.</p> <p>Academic Requirements:</p> <ul style="list-style-type: none"> • Secondary Education Graduation Certificate • Motivation Letter • Curriculum Vitae • <u>One of the following:</u> <p>a) International Baccalaureate (IB), including three higher level subjects (two of them should be selected from Physics, Chemistry, Biology, Mathematics), and three standard level subjects;</p> <p>b) A- Level subject-based qualification. Subjects requested are Chemistry, Biology and one more science subject (i.e., Physics, Mathematics);</p> <p>c) National secondary education degree (or Academic Transcript if still in the final year of secondary education) that confirms a score of at least 80% that includes Biology plus two more courses (Chemistry, Mathematics or Physics), in High School last year exams, with an average grade for each subject > 80%;</p> <p>d) Medical College Admissions Test (MCAT);</p> <p>e) University Clinical Aptitude Test (UCAT);</p> <p>f) BSc relevant to medical sciences from an accredited institution;</p> <p>g) Pre-med program;</p> <p>h) any standardized test (i.e. SAT)</p> <p>i) AP-level Biology, Chemistry, Mathematics, Physics (three out of four)</p>	<p>€15,000</p> <p>On acceptance</p> <p>For the first year, a downpayment of three (3) thousand euros (non-refundable) upon acceptance of position offered to secure the spot.</p> <p>Before each Semester: Six thousand (6,000) euros are paid before the commencement of each semester. For the years to follow, half fee is paid before the commencement of each semester.</p>	<p>Άπευθείας στο Πανεπιστήμιο</p> <p>https://imed.med.uoc.gr/contact/</p> <p>https://cloud-solutions.anova.gr/IPM_UOC/</p> <p>Early Application Deadline: December 1st Regular Application Deadline: March 30th</p> <p>Περισσότερες Πληροφορίες: https://imed.med.uoc.gr/</p>
